By joining the AMLC trainings, the participant understands and agrees to the following:

1. Certificates of attendance will only be issued to duly registered participants upon their completion of the training, participant information sheet, pre-test, post-test, and evaluation form before the training closes. Further, participants must obtain a score of at least 75% in the post-test. Failure to comply will forfeit the participant's claim to a certificate. The participant may, however, register in and attend subsequent trainings to receive a certificate, subject to the fulfillment of the requirements;

The registration of multiple participants under one e-mail address and the registration of one participant under multiple e-mail addresses will not be valid;
3. Participants are responsible for maintaining their own stable Internet connection during AMLC trainings; and
4. This is a learning environment that requires courtesy among participants. The AMLC will remove participants who act otherwise.
